

ROTARIAN BILL DeLONG LENDING A HELPING HAND IN THE WTC DISASTER

AN ODE TO WORLD PEACE

Power, Leadership and Humility
All goes hand in hand
Without leadership, you are
Half a man
Power can destroy you time
and again
Without humility, where is the man
Power, Leadership and humility
Gains great respect
Without it, what good is life,
It can lead only, to heartaches
and strife
As we grow older, we must be just
and fair, for one and all and
continue to give our best,
For the freedom call.
