Dear Rotarian Friends:

Our hearts are heavy and our prayers are with you. The tragedy you have suffered has a special resonance for those of us who call Oklahoma City home. We understand the anguish. We understand the pain.

We also understand your resolve to look forward and rebuild lives and rebuild your city. It reminds us of the resolve and determination that overtook our citizens after the Oklahoma City bombing in 1995.

Our Rotary Club wants to help much like Rotarians all over the world helped us in 1995. The Rotary Club of Oklahoma City is pleased to forward a portion of our unused relief funds along with our own contributions in the amount of \$100,000.00 to assist the relief effort in your fine city. We can think of no better place to entrust this money than in the hands of fellow Rotarians where "service above self" rules. Please direct these funds where the need is greatest.

Feel free to call on us if we can help in any way as you develop your plans on how to administer the significantly large relief fund that will be in your custody. Within our club are men and women who took a leadership role in administering funds for the unmet needs of the Oklahoma City bombing victims and dealt successfully with the same responsibilities you now have accepted. They would be honored to share their experiences and their knowledge.

We send love, hope and compassion from our 430 members and wish you and your city a speedy return to normalcy.

God Bless America!
